DETAILED ACTION

Allowable Subject Matter

Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance:

1. As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method comprising determining segment characteristics for the individual image segments such as segment center of gravity - segment area - segment main axis and/or localized rectangles or the like, on the basis of which a distinctive system of coordinates for the structure and corresponding structures of the same type can be defined which is invariant relative the torsion, reflection, stretching, compression and deformation of the structure, said system of coordinates allowing a definition of measuring points to be made, in combination with the rest of the limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
